

2019 Kid's Garden Club Registration Form

The Green Team, Prairie Pedlar's garden club for kids, is gearing up for another year. In 2019 we have chosen 2 dates for classes: Wednesday, July 10th and Wednesday, July 31st. We will offer a morning session each day for children ages 6-12. Introduction to gardening and a love for nature will be the emphasis. Learning exactly what makes plants grow, young aspiring gardeners will learn simple garden tasks, and create a take-home project at each session. Our goal is to plant the seeds for a lifetime hobby. A garden is one of the best outdoor classrooms of all, and we anticipate that as the children connect with the earth, they will grow deep, not just tall. Registration is required and may be limited to a manageable size. Reservations will be honored on a first-come/first serve basis until the classes are filled.

Here's the scoop:

- We'll meet at the Prairie Pedlar from 9:00-11:30.
- The cost per session is \$10 and participants may attend one (\$10) or both days (\$20).
- If, on either Wednesday, there are 5 or fewer people signed up, the Green Team will not meet and your money will be refunded for that day only.
- All registration fees must be prepaid prior to classes so that I can plan ahead and purchase supplies for each day. Sorry, but fees are non-refundable. However, you are welcome to find a substitute to take your place if necessary. Or, if you miss a class but would still like to complete the craft for the day, you are welcome to stop by the garden and pick up the supplies to take home and complete yourself.

Following is the itinerary for each day. Time will also be spent "practicing" simple garden skills: planting, deadheading, mulching, watering, weeding, and harvesting. Gardening isn't always fun, but the skills we will be performing are essential to the success of any gardening experience. A program fee of \$10.00 per day is a great bargain for supervised instruction, garden projects to take home, a morning snack, and all the secrets to gardening success! If you have any questions, please call Jane at 712-830-4403. We look forward to seeing you in the garden this summer! Extra Sign-Up forms are available by emailing me at: jhogue@netins.net

- Wednesday, July 10th Herb and Spice Garland**
 A great gift that puts "sugar and spice and everything nice" into one arrangement for your kitchen. The herbal sampler will include fragrant sage, rosemary, basil, cinnamon sticks, and more. Hang it vertically or swag it between two pegs or nails.
- Wednesday, July 31st Miniature Twig Furniture - Fairy Size!**
 There's magic in the gardens and fairies will appreciate a table and a chair just their size! Craft a dining room set from twigs and decorate with moss and everlasting flowers for the tiniest sort of tea party.

Please put a checkmark in the boxes next to the classes you would like to attend.
